TO WHOM IT MAY CONCERN

It is with great pleasure that I write this letter of recommendation for Mr. [REDACTED]. I first met him two years ago, at which he was a student in my Business Studies class during his grade 11 and 12 classes, at [REDACTED], Lagankhel, Lalitpur, Nepal. I hold him in the highest regard both personally and academically.

Mr. [REDACTED] demonstrates the exceptional intellectual ability required to understand and apply the various Business concepts presented in this subject.

In the two years that I have interacted with Mr. [REDACTED], both inside and outside the classroom, I have found him to be polite, responsible, sincere, and all around respectable young man. His self motivation and keen desire to learn are to be commended in this and age when, to many, a good grade is the only matter of importance.

It was my great pleasure to have Mr. [REDACTED] as a student. Overall, he is a very motivated and bright student, and I certainly believe that he has talent and drive to achieve success in future scholastic endeavors. I strongly recommend Mr. [REDACTED] into your institution of higher learning.

[REDACTED]
Head of Department of Business Studies.
